IV. New Business

- a. **Whatever Festival** – Heather will be Demo coordinator. June 27th
- b. **Out of incipency**- Kyppyn went over the next steps for becoming full status. Officers need to write a letter, a poll must be conducted, all qrtly reports need to be filed, the group name has to pass laurel. Other items like zipcode list and officers list, already completed. Then BoD has to decide we can form as a group. Best case scenario would be December, most likely winter/spring.
- c. **Pilgrimage event**- Kyppyn sent emails out to Maine Seneschals & Knight Marshalls to see if there is interest in all Maine groups getting together to do a year of pilgrimage tourney's. This will hopefully be a novelty to boost event attendance, especially for smaller groups. More to come!
- d. **Cook's Guild**- Syr Marcus would like to start a Ravensbridge Cook's Guild. Once a month meeting with an annual feast put on by the guild. Contact Syr Marcus for more info.
- e. **Free Entrance fees**- Subject of comping people for their first event or doing an event coupon was brought up. Seneschal tabled the discussion until next time, so everyone could think about ideas and ramifications of this kind of policy.
